The UK's leading supplier of garden trampolines

Do you need new ideas to raise funds for your school? If so Atlantic Trampolines has a great offer for you.

For every order we receive for a trampoline, 6ft or larger, on the freephone Trampo-Line, where the name of your school is quoted, **we will pay you £20**. That's it!

Atlantic Trampolines are one of the largest suppliers of garden trampolines in Britain, and, as you are probably aware, a trampoline has become a "must have" for children. Our customers regularly tell us that the trampoline was the best item they have ever bought for their children. It keeps them happy and healthy.

We know how difficult it can be to raise much needed funds for schools in the current climate. So, our PTA fund raising scheme allows your school to benefit from every Atlantic Trampoline bought by a parent or carer of a child in your school. All you have to do is register your school with us.

Registration is quick and free, call us on the number below to do so. After you have done this, we will send you some promotional materials, such as leaflets and posters detailing the offer which you distribute to pupils and parents and display in your school, free of charge. The parents deal directly with us to place their orders so the school has no involvement in the process. All they have to do is mention the name of the school at the time of ordering.

Atlantic Trampolines are supporters of the NCPTA, the charity that represents over 13,000 PTA's. so look out for our advert in the latest issue of the PTA magazine.
